VOLUNTEERS NEEDED FOR THE SUSTAINABLE NORTHWEST AMAZING ENVIRO RACE

When Friday, 31 May 2019
Where Bicentennial Park, Kable Ave, Tamworth
Time 9:00AM – 3:00PM
Volunteers needed for the above period of time

About this Enviro Race

This is a sustainability challenge for high school students.

There will be around 150 students in attendance on the day and about twenty (20) different challenges to complete.

- We are looking for four (4) volunteers to man a challenge station
- These volunteers will be responsible for setting up a challenge (which will be created by event organiser Emma Stilts) and ensuring each team of students completes the challenge correctly
- We are also looking for around twenty (20) extra volunteers to assist other community groups on the other stations and at the registration tent and time keeping

Briefing

- Volunteers will be briefed the week before the event by Veronica Filby and will receive a sausage sizzle lunch on the day
- We would be very grateful for any volunteer support you can offer and we see this event as a great way for Rotary to promote their Club to a younger audience and be part of an event that educates students on sustainability
- If you are able to help out, can you please let Veronica know by Monday, 20 May. She can be contacted on **0427 000 633** or email veronicafilby@gmail.com.

Being busy does not always mean real work. The object of all work is production and accomplishment and to either of these ends there must be forethought, system, planning, intelligence and honest purpose, as well as perspiration. Seeming to do nothing is not doing. Thomas Alva Edison

WORLD'S WEEK IN ROTARY 22 MAY 2019

It was a pleasure to induct Steve Martin into our Club as a member. After his first visit to our Club, he was lassoed into assisting with Pedal the Peel, which was an excellent way to ease into our Club activities. Welcome Steve.

Brian Logan's presentation to our Club this week, about his time in the Middle East serving with his Blue Beret, was indeed sobering and most interesting. Thank you for sharing that with us Brian. I know that there are still a few more chapters to this story, and perhaps there will be another opportunity in the future for these to be told.

Please be encouraged to get your tickets organised for the Changeover on the 15th June, and to be part of the welcoming party for Biff.

John Worldon

Steve Martin being transferred from his club at Broken Hill to Tamworth First Light – a member at last!

(Left to Right)

Steve Martin, John Worldon, John Rouvray, Les Jacob, Brian Logan (Member Speaker) and Ian Howle

Brian Thompson thanked Brian Logan for a particularly interesting talk as the Club's Member Speaker – will print in next week's Bulletin once Notes arrive.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
